Unleashing Venture Capital for Faith and Freedom.

CG

Our Story Has A Miraculous Beginning!

Cana is the location in the Bible where Jesus performed His first miracle — transforming ordinary water into iconic wine. CanaGlobal is a Kingdom ecosystem where investors and founders co-create to build iconic startups.

We were birthed out of a faith and freedom movement to transform the marketplace with the Kingdom of God. Today we are mobilizing Godly wisdom, startup expertise, and capital into disruptive ventures and their maverick founders.

Since 2016 — Unleashing the resources of God, at scale.

Equip. Fund. Transform.

MISSION

We are a greenhouse incubator for investor readiness and revenue performance. It's a journey where founders discover deep purpose and develop the faith to lead high-growth ventures into scalability and market leadership.

Yes, our wisdom, playbook, and investor network accelerate and de-risk ideas, increasing the probability and magnitude of success. But there is so much more in a Kingdom economy.

We are the believers behind the believers.

FAITH

According to your faith let it be done to you. Matthew 9:29

Iconic Founders are driven by Faith.
The kind that moves mountains.

Developing a founder's faith is the bedrock of everything we do inside the Venture Studio.

Faith will become the oxygen for your growth.

CALLING →

CALLING

I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you. Ephesians 1:18

The heartbeat behind every Kingdom venture is it's higher calling.

And the genesis of our relationships begin with the commitment to honor and steward the call of every founder.

This is the x-factor to growth, multiplication, scalability and success.

PLAYBOOK

But remember the Lord your God, for it is he who gives you the ability to produce wealth. Deuteronomy 8:18

The RevOps full-stack playbook is a performance operating system which produces the fuel to scale ... revenue and profits.

Every founder must develop the complete set of skills to develop a digital marketing and sales ecosystem centered around buyer journey.

Every founder will become a full-stack entrepreneur.

REIMAGINING

THE VENTURE STUDIO

The CG venture studio is a greenhouse incubator for investor readiness and revenue performance. It's a journey where founders discover deep purpose and develop the faith to lead high-growth ventures into scalability and market leadership.

Church For Entrepreneurs

Where Entrepreneurs & Investors Gather to Grow their Faith and Discover Purpose.

Church For Entrepreneurs

The CG hybrid church is where investors and entrepreneurs gather online and in-person to grow their faith and discover deeper purpose. If you see the church as a place to go, perhaps it doesn't make sense to be combined with a venture capital firm. But we see the church as Jesus described it, an Ekklesia, a people empowered to disciple nations.

- Cities are built by entrepreneurs.
- Industries are built by entrepreneurs.
- Economies are built by entrepreneurs.
- And America was built by entrepreneurs.

We believe the most powerful force on planet earth is the Ekklesia, God's instrument for global transformation.
